Floor Cleaner

Product	Specifications	Conditioning	pH	Package Sizes	Price in	Art. No.
Antiwax 	Very efficient alkaline cleaner for the removal of all kinds of soilings including wax films.	10 l canister	10	1 pc.		11.100
		500 ml dispenser bottle, filled	10	1 crt. 10 x 500 ml		10.202
		500 ml dispenser bottle, empty	10	1 pc.		10.102
Antiwax forte 	Very high performance cleaner for the removal of difficult soiling, particularly fat- and oil residues, polymer and wax films. Also suited for floor coverings sensible to alkaline substances as well as for Linoleum	10 l canister	10	1 pc.		11.000
		500 ml dispenser bottle, filled	10	1 crt. 10 x 500 ml		10.201
		500 ml dispenser bottle, empty	10	1 pc.		10.101
Indumat 	High performance alkaline cleaner for the mechanised cleaning of floor coverings in the food processing industry or similar areas	10 l canister	13.5	1 pc.		11.260
Relino 	Basic cleaner for Linoleum, removes polymer and wax coatings without discolouring or leaching of the floor covering	10 l canister	11	1 pc.		11.220
Remat 	Concentrated basic cleaner for the removal of polymer and wax coatings as well as soilings of all types	10 l canister	13.5	1 pc.		11.250
Remat forte 	Extra strong basic cleaner for the removal of condensed and old acrylic and care product coatings, as well as encrustations	10 l canister	13.5	1 pc.		11.270

Product	Specifications	Conditioning	pH	Package Sizes	Price in	Art. No.
Rewit 2000 	Industrial and basic cleaner for the removal of oil, fat and industrial soilings as well as wax and polymer coatings (e.g. Mepol 2000)	10 l canister	11	1 pc.		11.200
Klar 	Soap based Floor cleaner, very lime tolerant. Used regularly, it leaves a silky shine on stone floor coverings	10 l canister	10.5	1 pc.		11.300
Refor 	Very efficient all-purpose cleaner for the removal of medium to strong soilings	10 l canister 500 ml dispenser bottle, filled 500 ml dispenser bottle, empty	9.5 9.5 9.5	1 pc. 1 crt. 10 x 500 ml 1 pc.		12.250 10.206 10.106
Ceratop 	Very high performance alkaline cleaner for the manual or mechanised cleaning of all ceramic floor coverings, especially fine ceramics	10 l canister	9.5	1 pc.		16.000
Ecofloor 	Environmentally certified (EU flower). Very strong universal cleaner for maintenance cleaning; Slightly foaming, solvent free, slightly alkaline, slightly perfumed	10 l canister 500 ml dispenser bottle, filled	10 9.5	1 pc. 1 crt. 10 x 500 ml		16.620 11.621
Brill 	Non-coating daily cleaner with well balanced cleaning and care action. Leaves a thin, auto-shining and polishable wax film	10 l canister 500 ml dispenser bottle, filled 500 ml dispenser bottle, empty	7.7 7.7 7.7	1 pc. 1 crt. 10 x 500 ml 1 pc.		15.500 10.270 10.170
Redur 	Non-coating daily cleaner specially for stone floor coverings and sports halls. Leaves a walk-proof layer with silky shine. Good cleaning performance and pleasant scent	10 l canister 500 ml dispenser bottle, filled 500 ml dispenser bottle, empty	6.5 6.5 6.5	1 pc. 1 crt. 10 x 500 ml 1 pc.		15.800 10.260 10.160

Product	Specifications	Conditioning	pH	Package Sizes	Price in	Art. No.
2care	Auto-shining, coat building daily cleaner on polymer basis, for the mechanised cleaning of all types of hard and elastic floor coverings	10 l canister	7.5	1 pc.		15.900
						
Remop	Quick-drying, non-coating daily cleaner. Leaves a clear, streak-free care film. Very economic.	10 l canister 500 ml dispenser bottle, filled 500 ml dispenser bottle, empty	6 6 6	1 pc. 1 crt. 10 x 500 ml 1 pc.		15.450 10.280 10.180
						
Elfspray	Wax and solvent containing spray emulsion for the removal of soilings, shoe and rubber traces by using the spray method	10 l canister	9.5	1 pc.		15.300
						
Polyspray	Solvent-free surfactant containing spray cleaner for the treatment of waterproof floor coverings using the spray method	10 l canister	7	1 pc.		15.600
						
US Restorer	Polymer and surfactant containing ultraspeed spray cleaner for the cleaning and regeneration of coated floor coverings. Leaves a thin, shiny film.	10 l canister 500 ml dispenser bottle, filled 500 ml dispenser bottle, empty	7.5 7.5 7.5	1 pc. 1 crt. 10 x 500 ml 1 pc.		15.700 10.265 10.165
						
Waxspray	Waterless, solvent containing spray for the treatment of non-waterproof floor coverings using the spray method	10 l canister		1 pc.		15.350
						
Fit	Paraffin-based moist mopping agent for the impregnation of moist mopping tools. Binds dust and improves sliding of the mops on the floors.	10 l canister		1 pc.		15.440
						

Protection Products

Product	Specifications	Conditioning	pH	Package Sizes	Price in	Art. No.
Mepol 2000 	Auto-shining dispersion based on heavy-metal free polymers. Leaves a resistant, step proof and shiny protective film.	10 l canister	7.5	1 pc.		17.110
Mepol H 	Hard, very resistant auto-shining dispersion on polymer basis. Leaves a resistant, walk proof and shiny protective film.	10 l canister	8.5	1 pc.		17.120
Mepol HM 	Mat auto-shining dispersion on polymer basis. Leaves a walk proof, hand-disinfectant resistant and abrasion proof protective film.	10 l canister 500 ml dispenser bottle, filled 500 ml dispenser bottle, empty	8.5 8.5 8.5	1 pc.		17.140
Mepol HX 	Elastic auto-shining dispersion on polymer basis. Leaves a highly alcohol-resistant (hand-disinfectants) walk-proof and resistant shiny protective film.	10 l canister	8.5	1 pc.		17.190
Stoner 	Multifunctional self-shining dispersion for the protection and care of hard and resilient floor coverings. Creates a polishable, highly glossy protective film.	10 l canister	8.5	1 pc.		17.750
Polish 	Self-shining liquid wax on water basis. Creates a polishable, anti-slip and waterproof protective film.	10 l canister	8	1 pc.		17.400

Product	Specifications	Conditioning	pH	Package Sizes	Price in	Art. No.
Leinol BW 	Watery line oil emulsion with high content of solid parts and without easily evaporating substances. For the basic treatment of all non-treated or well-sanded wood surfaces in the interior	1 l bottle		1 pc.		10.368
		5 l canister		1 pc. = 3 x 5 l		17.900

Leinol NW 	Watery line oil emulsion without easily evaporating substances. For follow-up treatment of Leinol BW treated wood surfaces in the interior	1 l bottle		1 pc.		10.369
		5 l canister		1 pc. = 3 x 5 l		17.910

Porosol 	Transparent pore filler on polymer basis, for basic impregnation of porous floor coverings. Creates a smooth surface and is permeable to water vapour.	10 l canister	8	1 pc.		17.600
---	--	---------------	---	-------	--	--------

Imprasol 	Polymer-based impregnation containing water soluble solvents, for the treatment of porous, very absorbant stone floor coverings. Non-inflammable.	10 l canister		1 pc.		17.500
--	---	---------------	--	-------	--	--------

Carpet Cleaner

Product	Specifications	Conditioning	pH	Package Sizes	Price in	Art. No.
Retex 	Non-foaming carpet extraction and cleaning agent for synthetic and woolen carpets.	10 l canister	4.5	1 pc.		14.200
		500 ml dispenser bottle, filled	4.5	1 crt. 10 x 500 ml		10.253
		500 ml dispenser bottle, empty	4.5	1 pc.		10.153

Shampoo 	Highly-efficient carpet shampoo for synthetic and woolen carpets. After drying, it leaves a powder residue which may be vacuumed.	10 l canister	5.5	1 pc.		14.100
---	---	---------------	-----	-------	--	--------

Product	Specifications	Conditioning	pH	Package Sizes	Price in	Art. No.
Karpex 	Non-foaming, highly-efficient carpet extraction agent. Specially suitable for heavily soiled, fully synthetic and mixed fibres.	10 l canister	10	1 pc.		14.210
		500 ml dispenser bottle, filled	10	1 crt. 10 x 500 ml		10.254
		500 ml dispenser bottle, empty	10	1 pc.		10.154
Karpothek 	Stain kit consisting of one container of 1 unit Karpfom, Karspray and Karpfrost each, as well as paper towels, brush, spatula and instruction manual.	Cardboard box		1 case		10.403
Karpfom 	Ready-to-use cleaning foam for the removal of water soluble stains on textile surfaces.	Spray can 460 g		1 can		10.410
Karpfrost 	Freeze-spray for the removal of chewing gum from textile floor coverings and other surfaces.	Spray can 180 g		1 can		10.430
Karspray 	Ready-to-use cleaning spray for the removal of solvent-soluble stains from textiles surfaces.	Spray can 180 g		1 can		10.420
Fomstop 	Silicone-based defoaming agent. Prevents foaming in carpet extraction machines, scrubber-driers and wet vacuum cleaners.	10 l canister	4.5	1 pc.		14.300

Multi-purpose Cleaner

Product	Specifications	Conditioning	pH	Package Sizes	Price in	Art. No.
Brilant 	Ready-to-use interior and glass cleaner for the removal of light soiling, such as finger marks, nicotine residues, etc. Dries quickly without leaving streaks.	10 l canister	9.5	1 pc.		12.400
		500 ml dispenser bottle, filled	9.5	1 crt. 10 x 500 ml		10.234
		500 ml dispenser bottle, empty	9.5	1 pc.		10.134
Ecovital 	Environmentally certified (EU flower). Glass surface cleaner for removal of oily and fatty soiling, finger marks, dust, etc. Dries quickly without leaving smears. Non foaming. Slightly alkaline. Slightly perfumed. Not for LCC screens.	10 l canister	9.5	1 pc.		11.600
		500 ml spray bottle, filled		1 pc. = 12 x 0.5 l		11.601
Alcosal 	Alcoholic cleaner for manual maintenance cleaning of waterproof surfaces of all kinds.	10 l canister	5.5	1 pc.		12.200
		500 ml dispenser bottle, filled	5.5	1 crt. 10 x 500 ml		10.222
		500 ml dispenser bottle, empty	5.5	1 pc.		10.122
		500 ml spray bottle, empty	5.5	1 pc.		10.171
		500 ml foamer bottle, empty	5.5	1 pc.		10.174
Ecosal 	Environmentally certified (EU flower). Very strong surface cleaner. Slightly foaming. Slightly alkaline. Slightly perfumed. Kin and material friendly	10 l canister	8.5	1 pc. = 10l		11.610
		500 ml dispenser bottle, filled		1 pc. = 10 x 0.5 l		11.611
Reodor 	Fragrant cleaner for the removal of general soiling on all surfaces. Fragrance floral (blue).	10 l canister	8.5	1 pc.		12.100
		500 ml dispenser bottle, filled	8.5	1 crt. 12 x 500 ml		10.215
		500 ml dispenser bottle, empty	8.5	1 pc.		10.115
Reodor Citro 	Fragrant cleaner for the removal of general soiling on all surfaces. Fragrance citrus (yellow)	10 l canister	8.5	1 pc.		12.120
		500 ml dispenser bottle, filled	8.5	1 crt. 12 x 500 ml		10.220
		500 ml dispenser bottle, empty	8.5	1 pc.		10.120

Product	Specifications	Conditioning	pH	Package Sizes	Price in	Art. No.
Resal 	Neutral, very economical cleaner for gentle removal of general soiling. Kind to hands and material.	10 l canister	6.5	1 pc.		11.400
		500 ml dispenser bottle, filled	6.5	1 crt. 12 x 500 ml		10.205
		500 ml dispenser bottle, empty	6.5	1 pc.		10.105
		500 ml spray bottle, empty	6.5	1 pc.		10.172

Topclean 	Ready-to-use cleaning emulsion for removal of general and water-resistant soiling, such as traces of paint, tar, etc. Abrasive free.	10 l canister		1 pc.		12.500
		500 ml dispenser bottle, filled		1 crt. 12 x 500 ml		10.235
		500 ml dispenser bottle, empty		1 pc.		10.135

Vitronet 	Powerful cleaning product for professional cleaning of windows and glass surfaces.	10 l canister		1 pc.		12.350
		500 ml dispenser bottle, filled		1 crt. 12 x 500 ml		10.233
		500 ml dispenser bottle, empty		1 pc.		10.123

Sanitary Cleaner

Product	Specifications	Conditioning	pH	Package Sizes	Price in	Art. No.
Caledor 	Moderately acidic sanitary cleaner with very pleasant fragrance, for the gentle cleaning descaling of acid-resistant surfaces.	10 l canister	2.5	1 pc.		13.700
		500 ml dispenser bottle, filled	2.5	1 crt. 10 x 500 ml		10.257
		500 ml dispenser bottle, empty	2.5	1 pc.		10.157
		500 ml spray bottle, empty	2.5	1 pc.		10.173

Calefom 	Slightly acid, strongly foaming and slightly scented cleaner for the foam cleaning of acid resistant surfaces e.g. in sanitary areas and swimming pools.	10 l canister	2	1 pc.		44.502
		500 ml spray bottle, empty	2	1 pc.		10.167

Reocid 	Sanitary and all-purpose cleaner for the removal of soiling of all kind. Prevents build-up of limescale build-up if used regularly.	10 l canister	4.5	1 pc.		13.400
		500 ml dispenser bottle, filled	4.5	1 crt. 10 x 500 ml		10.251
		500 ml dispenser bottle, empty	4.5	1 pc.		10.151
		500 ml spray bottle, empty	4.5	1 pc.		10.169
		500 ml foamer dispenser, empty	4.5	1 pc.		10.176

Product	Specifications	Conditioning	pH	Package Sizes	Price in	Art. No.	
Reocid 2000 	Sanitary and all-purpose cleaner for the removal of soilings of all kind. Prevents build-up of limescale build-up if used regularly.	10 l canister	4.5	1 pc.		13.450	
		500 ml dispenser bottle, filled	4.5	1 crt. 10 x 500 ml		10.252	
		500 ml dispenser bottle, empty	4.5	1 pc.		10.152	
Ecosan 	Environmentally certified (EU flower). High performance sanitary maintenance cleaner. For removal of limestone deposits. Reduces the buildup of lime deposits when used regularly. High foaming	10 l canister	3	1 pc. = 10l		11.630	
		500 ml dispenser bottle, filled	3	1 pc. = 10 x 0.5 l		10.631	
		500 ml foamer dispenser, empty	3	1 pc.		10.401	
Reofom 	Slightly alkaline, strongly cleaner with fresh scent for the foam cleaning of acid resistant surfaces e.g. in sanitary areas swimming pools.	10 l canister		1 pc.		11.522	
		500 ml spray bottle, empty		1 pc.		10.168	
Calexan 	Acid sanitary cleaner for the removal of limescale and the cleaning of acid-resistant surfaces.	10 l canister	1	1 pc.		13.200	
		500 ml dispenser bottle, filled	1	1 crt. 10 x 500 ml		10.245	
		500 ml dispenser bottle, empty	1	1 pc.		10.145	
		500 ml spray bottle, empty	1	1 pc.		10.150	
		Calexan forte 	10 l canister	0.5	1 pc.		13.300
			500 ml dispenser bottle, filled	0.5	1 crt. 10 x 500 ml		10.243
500 ml dispenser bottle, empty	0.5		1 pc.		10.144		
500 ml bent neck dispenser,	0.5		1 pc.		10.143		
	Foamer insert for bent neck dispenser	0.5	1 pc.		10.146		
Eco Calixin 	Environmentally certified (EU flower). Sanitary basic cleaner for removal of limestone deposits. Also suitable for removing cement veil. Slightly foaming. Slightly perfumed	10 l canister	1	1 pc.		11.640	
		500 ml dispenser bottle, filled	1	1 crt. 10 x 500 ml		11.641	
		500 ml foamer dispenser, empty	1	1 pc.		10.402	

Product	Specifications	Conditioning	pH	Package Sizes	Price in	Art. No.
---------	----------------	--------------	----	---------------	----------	----------

Eco Calcitin

Environmentally certified (EU flower). For cleaning of toilet bowl / urinals. For removal of lime and urine stains / depositions. Thick. Highly foaming. Slightly perfumed.

10 l canister	2.5	1 pc. = 10 l	11.650
500 ml dispenser bottle, filled	2.5	1 pc. = 10 x 500 ml	11.651

Caletin

Viscous, acid toilet cleaner for the removal of limescale and urine stains, as well as other soiling.

10 l canister	0.5	1 pc.	13.100
500 ml dispenser bottle, filled	0.5	1 crt. 10 x 500 ml	13.240
500 ml dispenser bottle, empty	0.5	1 pc.	10.140

Biosan

For the daily cleaning of sanitary areas and the sustainable suppression of unpleasant odours through microbiological action.

1 l bottle	6.5	1 crt. = 10 x 1 l	10.371
------------	-----	-------------------	--------

Kitchen Cleaner

Product	Specifications	Conditioning	pH	Package Sizes	Price in	Art. No.
---------	----------------	--------------	----	---------------	----------	----------

Resinox

Ready-to-use, abrasive containing powerful liquid cleaner. For the easy removal of adhering soiling on stainless steel, enamel, ceramics, etc. Non-scratching.

5 l canister	8.5	1 pc. = 2 x 5 l	12.705
500 ml dispenser bottle, filled	8.5	1 crt. = 10 x 500 ml	10.295
500 ml dispenser bottle, empty	8.5	1 pc.	10.195

Gastrosal

Powerful alkaline cleaning agent for manual removal of heavy and fatty soiling on stoves, extractor hoods, grills, fryers etc.

10 l canister	13	1 pc.	12.920
500 ml dispenser bottle, filled	13	1 crt. = 10 x 500 ml	10.213
500 ml dispenser bottle, empty	13	1 pc.	10.113

Gastrogrill

Highly efficient, strongly alkaline cleaning agent for manual cleaning of barbecue grills, ovens, fryers, etc.

10 l canister	13.5	1 pc.	12.940
500 ml dispenser bottle, filled	13.5	1 crt. = 10 x 500 ml	10.214
500 ml dispenser bottle, empty	13.5	1 pc.	10.114

Product	Specifications	Conditioning	pH	Package Sizes	Price in	Art. No.
Gastronet 	Universal, very efficient dishwashing detergent for manual washing of dishes and kitchen utensils, also usable as an all-purpose and window cleaner.	10 l canister	7.5	1 pc.		12.900
		500 ml dispenser bottle, filled	7.5	1 crt. = 10 x 500 ml		10.212
		500 ml dispenser bottle, empty	7.5	1 pc.		10.112

Polex 	Highly efficient industrial/all-purpose cleaner for the removal of fats, oils and other soiling. Specially suited for the food sector.	10 l canister	7.5	1 pc.		11.700
		500 ml dispenser bottle, filled	7.5	1 crt. = 10 x 500 ml		10.210
		500 ml dispenser bottle, empty	7.5	1 pc.		10.110

High Concentrates

Product	Specifications	Conditioning	pH	Package Sizes	Price in	Art. No.
Remop HK 4 	Neutral, slightly foaming daily cleaner for the use on all types of floor coverings	5 l canister	6	1 pc. = 2 x 5 l		18.840
		1 l dosing bottle Easy, filled	6	1 crt. = 6x 1 l		10.411

Alcosal HK 5 	Foaming all-purpose cleaner for maintenance cleaning of all surfaces, such as plastic, glass, ceramics, stainless steel, stone and for the wet cleaning of windows.	10 l canister	8	1 pc.		18.855
		1 l dosing bottle Easy, filled	8	1 crt. = 6 x 1 l		10.412
		500 ml spray bottle, empty	8	1 pc.		10.171
		500 ml foamer bottle, empty	8	1 pc.		10.174

Resal HK 6 	Neutral, slightly foaming all-purpose cleaner for maintenance cleaning of all waterproof materials, such as furniture, walls, floors.	10 l canister	6	1 pc.		18.860
		1 l dosing bottle Easy, filled	6	1 crt. = 6 x 1 l		10.413
		500 ml spray bottle, empty	6	1 pc.		10.172

Reocid HK 7 	Slightly acid, moderately foaming all-purpose cleaner for maintenance cleaning of all washable surfaces in the sanitary area such as stainless steel, plastic, porcelain, ceramics, enamel, glass, etc.	10 l canister	4.5	1 pc.		18.870
		1 l dosing bottle Easy, filled	4.5	1 crt. = 6 x 1 l		10.414
		500 ml spray bottle, empty	4.5	1 pc.		10.169
		500 ml foamer bottle, empty	4.5	1 pc.		10.176

Desinfection Products

Product	Specifications	Conditioning	pH	Package Sizes	Price in	Art. No.
SintOx 3% 	Disinfectant. Based on hydrogen peroxide / silver compounds. Flushing not necessary. Non foaming	10 l canister	3.5	1 pc.		16.560
		500 ml spray bottle, empty	3.5	1 pc.		16.561
Sintogard 	Ethanol-based quick disinfectant. For the disinfection of surfaces and tools. No rinsing. Effective against bacteria and fungi.	10 l canister	9	1 pc.		16.110
SintoClean HN 	Highly concentrated disinfection cleaner on the basis of quaternary ammonium compounds, for the medical sector.	10 l canister	9	1 pc.		16.110

Industrial CIP-Cleaner

Product	Specifications	Conditioning	pH	Package Sizes	Price in	Art. No.
Ketacid CIP 3 	Highly acid and slightly foaming cleaner. Removes lime residues, fat, protein. Suited for CIP systems.	25 l canister	1	1 pc.		14.504
Ketovapor CIP 3 	Highly alkaline and slightly foaming cleaner. Removes fat, protein, oil and starch. Suited for CIP systems.	25 l canister	13.5	1 pc.		14.524

Product	Specifications	Conditioning	pH	Package Sizes	Price in	Art. No.
Ketovapor CIP 3 Chlor	Highly alkaline and slightly foaming cleaner. Removes fat, protein, oil and starch. Suited for CIP systems.	25 l canister	13.5	1 pc.		14.534
						

Industrial Foam Cleaner

Product	Specifications	Conditioning	pH	Package Sizes	Price in	Art. No.
Ketacid Brilliant	Weakly acid, strongly foaming agent for the maintenance cleaning of floors, showers and walls. Removes lime streaks, soil and sand residues, cosmetic oils/greases.	10 l canister	2	1 pc.		11.500
		25 l canister	2	1 pc.		11.504
						

Ketacid Foam 3	Strongly alkaline, foaming agent for the basic cleaning of floors, showers and walls. Removes lime deposits, soil and sand residues, proteins and fats.	10 l canister	1	1 pc.		11.510
		25 l canister	1	1 pc.		11.514
						

Ketovapor Brilliant	Slightly alkaline, strongly foaming cleaning agent for floors, showers and walls. Excellent dissolving properties of oils/greases of cosmetic products, blood and other organic substances.	10 l canister	10	1 pc.		11.520
		25 l canister	10	1 pc.		11.524
						

Ketovapor Foam 3	Strongly alkaline, foaming agent for the basic cleaning of floors, showers and walls. Excellent dissolving 200 l properties of oils/greases of cosmetic products, blood and other organic substances.	10 l canister	13.5	1 pc.		11.530
		25 l canister	13.5	1 pc.		11.534
						

Ketovapor Foam 3 Chlor	Strongly alkaline, foaming agent for the basic cleaning of floors, showers and walls. Excellent dissolving 200 l properties of oils/greases of cosmetic products, blood and other organic substances.	10 l canister	13.5	1 pc.		14.543
		25 l canister	13.5	1 pc.		14.544
						

Miscellaneous Tools/Accessories

Spray bottles and foam cleaning tools

Product	Description	Price in	Art. No.
1 Fixomat	Portable pressure sprayer, content 7.5 l		10.132
2 Foam nozzle for Fixomat			10.765
3 Handspray bottle 400 ml	Solvent-resistant		10.141
4 Spray bottle 500 ml neutral	With foamer top white 10.138		10.133
5 Sprayer top white for all spray bottles			10.138
Sprayer top blue for all spray bottles			10.149
6 Foamer top yellow for all spray bottles			10.177
7 Foamer top blue for all spray bottles			10.178
8 Clean-Matic 1.25 E	Pressure-bottle foamer, content 1.25 l		10.800
9 Fixofoam	Foam pistol with water connection. For creating and applying cleaning foam.		10.811
Connection hose 10 m	For Fixofoam (Option)		10.816

Dosing Systems

Product	Description	Price in	Art. No.
10 Dosing Center 2/2			10.750
11 Dosing pump 20 ml/stroke	For use on 10 l canister		10.730
12 Dosing pump 4 ml/stroke	For use on dosing bottle 10.760		10.731
13 Measuring jug PP	Content 1 l, with scale		10.733
14 Measuring jug PP	Content 250 ml, with scale		10.729
15 Dispenser empty	Content 500ml, empty, unprinted		10.100
16 Dosing bottle PE	Content 1 l		10.760
17 Dosing jug PP DIN	Content 20 ml, for use on bottle 10.760		10.372
Dosing pump 100 ml/stroke	For use on 10 l canister (not suited for Antiwax forte)		10.734
Barrel pump 330 ml/stroke	For use on 200 l PE barrel		10.739
